Lifestyles wants you to benefit from a recipe for success that is as proven and treasured as Intra's proprietary botanical formula.

Simply follow the **INTRA** Five-Step Process

and you'll be on your way to owning the business you've always dreamed of!

1
Introduce others to the Lifestyles **O**pportunity
the more people you speak to, the more money you'll make!

2
Narrate your story
tell everyone you meet about our products and your personal success story.

3
Teach your downline
when you show them how to duplicate your efforts, they will succeed and so will you!

4
Record your goals
write down your goals and refer to them often to stay motivated and focused.

5
Attend BOPs and other Lifestyles **b**usiness meetings
learn from the experience of other successful business owners. The more you know, the more successful you'll be!

Think Success. Think I-N-T-R-A
